Lateness for pupils pick up

Picking our jewels late after closure of school has been a challenge to the school. To this effect, parents who pick their children late will be sanctioned. The management will give one hour grace after the normal school period, after which the fines will be paid.

For instance, if school closes at 3pm, coming a minute past 4pm (4:01pm) will be termed as being late and as such will attract a fine. The teachers deserve some rest after a busy day to enable them prepare for the next day.

If implemented, we hope that this will discourage parents from coming late to pick their children/wards.

REVIEW OF SOME ACTIVITES THIS TERM

Dr. Ngozi Jennifer Anetoh, the Director of Jasmine Children School was conferred with an Honorary Doctoral Award as DOCTOR OF EDUCATIONAL AND SCHOOL MANAGEMENT by TB University, New York, USA.

Our amazing reception pupils had their hand washing and pegging day. Washing our hands often, keeps germs away and makes us healthy.

In commemoration of Nigeria's 62nd anniversary, Jasmine jewels came prepared in their green and white attires. You made it possible dear parent! Thank you.

This year's World Teachers Day took a different turn as our Basic 6 pupils took over the classroom as one-day teachers. They turned up magnificently! Thank you jewels.

Basic 3 Drug Awareness Day was a great movement. Jasmine pupils say No to Drugs. Get high on Grades, not on Drugs.

Basic 5 pupils were not left out as they displayed their cooking skills to Jasmine at large.

Our amazing nursery pupils gave Jasmine a chatoyant ambience on their colour day, as they dressed in different colours to tell the types of colours.

Jasmine pupils always representing!
